One Nation Under God – *The Charity of Christ Urges Us On*

September 2011

Dear Brother Knights, Sister Columbiettes and Friends,

The Summer Blast was another success do to the strong efforts of Karl and Debbie Emigholz. Thanks are owed to the members who always come out and support all of our events at our council; I would also like to thank Jennifer Emigholz, Kevin and Stephanie Marshall, Marie Cancelleri, Sandra Emigholz and Phyllis Vreeland, for all of their hard work throughout the evening. The food was great and everyone enjoyed the band. Our Staten Island Yankees ballgame was well attended this year and I hope the members enjoyed the room with a view boxes. It was a little different approach to help bring the members together and create a different experience at the game. Thanks to the membership who purchased all 100 tickets and made the event a memorable one,

As the summer comes to a close there is a flurry of events to help to welcome in the change in seasons. On the 10th of September we have our annual Installation of Officers. The Mass will be in memory of the victims of September 11th, the celebrant for the Mass will be our Chaplain Father John Steven Kostek. Following the

Mass our Installation of officers will take place and the evening will commence with a delicious dinner. Please contact me in advance for reservations. I encourage the membership to come out and support the newly elected officers, for their hard work, and dedication, which helps keep our council vibrant throughout these difficult times.

On September 17th we will be having our annual Stolzenthaler Family picnic. It promises to be a fun filled day. I hope to see a large crowd at this annual end of summer event. There will be plenty of activities to keep both the children and the adults busy. Come join us for great food, popcorn, cotton candy, Spin Art and many surprises for all.

As I close this message please keep all the sick members of our council in your prayers. Thank you again for your continued support.

*Fraternally,*

*Frank Corvino GK*

***From the Chaplain's Desk***

*Beloved Knights, we have had a very powerful summer, to put it mildly. We've had our share of heat and storms, haven't we? Now we come, hopefully, to a more typical Fall season. To some people it means things will die, leaves will fall off the trees and vacations have long ended. I hope, because of your faith and the optimism it brings, Fall will mean to you a new wardrobe for the life we are living: new colors in our trees and new activities for our lives along with cooler temperatures to keep us marching along double time.*

*As a sign that the Holy Spirit is still working in His Church, we see that changes for the better continue in the Catholic Church. Soon, in November, there will be a tweaking of the Liturgy and the new translations. There is the bringing together of the people of God at official gatherings in the Vatican, at synod meetings of Bishops and lay people of our local dioceses here in America. There is the calling together at various meetings at the national and state levels of the Knights of Columbus. All these are signs that the Holy Spirit is pulling us together as the people of God. From our Supreme Knight, Carl A. Anderson, to all of our faithful Grand Knights the Lord is working to build up and renew His mystical body, the Catholic Church. Let us always seek out massive doses of the power of Christ, sanctifying grace, by making sure we meet Him at the Altar and be touched by Him.*

*When we look at things this way we realize we are part of our Heavenly Father's grand plan of rescue, of salvation. It 's a way for us to be encouraged to continue to fight the good fight for the salvation of souls and that includes our own.*

*Fr. John Steven Kostek*
